Called Off Yonkers Race Meet. Called Off Yonkers Race Meet.

New York, Nov. 3.—To the hardships inflicted upon successful horse racing by the anti-betting laws in this state is ascribed the action taken today by the management of the Empire City Jockey club in calling off the meeting to have been held at the Yonkers track next week. Racing there was scheduled to run from Nov. 9 to 15 and was to be the final meet of the season in the metropolitan district.

Strength in Spots Emphasized During

the Day-Money Market Conditions.

New York, Nov. 3.—The quiet con-dition in the speculation, which re-spected financial authorities have been

devising for several weeks past, was in evidence today. It was supposed

to be due, in part, to the delay in the return from election day holiday visits on the part of the brokerage fraternity.

There was sufficient uncertainty ac-knowledged in the money outlook to account for the halting tendency in the market's activity. The call money rate did not rise again to the five per cent rate touched late on Monday, but the figures of the clearing house ex-changes for that day amounted to the

ACADEMY CAMPUS NOTES.

Nice weather for football practice Wednesday.

Casey was at McCormick's place a fullback in the latter's absence. Coach Bunnell issued an entirely new set of signals for the eleven before the Wednesday practice.

Some of the Academy regulars need to remember there is something for everyone to do in every play. Bliss and Havens of the second team also had places on the first team line through the absence of the regulars. Halfback Noyes keeps up his good work in flinging the forward pass and Captain Gallivan is a sure catcher on the receiving end.
